

Welcome to

The annual Cassirer lecture and a Symposium on Cassirer's philosophy of technology!

The Swedish Ernst Cassirer Society arranges a symposium on Ernst Cassirer's philosophy of technology to pay attention to the recently published anthology *Ernst Cassirer on form and technology: contemporary readings*, at Chalmers Architecture on Tuesday 20 November.

- 16.00 Ingvild Folkvord (NTNU)
"Reading Ernst Cassirer from the present: on *Form and technology*"
- 16.45 Andrej Slávik (Chalmers)
"Substance and (digital) function: the case of parametric architecture"
- 17:30 Break
- 18.00 ***The Cassirer lecture 2012:***
Jean Lassègue (Institut Marcel Mauss, EHESS),
"Semiotic anthropology and the technology of writing: Cassirer's legacy"

The symposium is free of charge.
Please register on info@cassirer.se, but it is not required.

The symposium is arranged in collaboration with Chalmers Architecture, the research profile Form and Technology, and the Strong Research Environment 'Architecture in the Making'.

Day: 20 november 2012

Time: 16.00 –19.00

Place: The Ateliers, Department of Architecture, Chalmers University of Technology
